

## ***PRACTICAL SAILOR ONLINE***

**C**ontinuing the theme of marine education surveys, the newest survey now posted on our website focuses on online captain's schools. Have you taken an online course to get your captain's license? We'd like to hear about your experience. If you're considering getting your license through a web school, let us know what you're looking for. A link to the survey is at the top of the *Practical Sailor* homepage, [www.practical-sailor.com](http://www.practical-sailor.com). It takes less than 5 minutes to complete and is open to subscribers and non-subscribers, so encourage friends to participate.
