**W**ith the first autumn gales around the corner, we've posted a few safety- and seamanship-related articles in the *Tools and Techniques* section of [www.practical-sailor.com](http://www.practical-sailor.com). "The Bare Essentials: Minimal Safety Gear" presents *Annapolis Book of Seamanship* author John Rousmaniere's view on safety equipment. "Reefing from the Pros," offers various delivery skippers' views on mainsail reefing gear. "Safety Tips from the Pros" looks at safety through the lens of prevailing offshore racing regulations.
